CELEBRATE ROTARY
Telling Our Story

Incoming Rotary President, Bob Brown, will share with the Club his plans for the Rotary Year 2017-2018. Bob has many new ideas and has a board that is excited to continue the wonderful accomplishments that happened in 2016-2017 and to accelerate the good works that our club does for the community and the world.

June 27th Meeting Recap

Outgoing President, Paul Pieschel, gave us a recap of the great year we had in Rotary in which membership increased a net of 4% with 10 different Rotarians sponsoring new members. Also of note is our total giving which includes charitable giving (14 charities), Scholarship Fund, Rotabucks, and many other totally $107,487. Paul also celebrated Rotarian Virginia Ellis who is a polio survivor and gave a moving story of her struggle growing up with polio. That makes what Rotary is doing internationally to eradicate the devastating disease even more meaningful. Paul received a standing ovation for his outstanding job as President.
Installation of New Board

Hamsa Thota, the new 6920 District Governor, installed the new board members at the June 27th meeting.

Honoring Carrene (CG) Rosser

Mary Beth Wester recognized CG Rosser who our Club sponsored in this year’s Tribute to Women’s Leaders promoted by the YMCA of Brunswick.

Paul Harris Corner

Paul Pieschel received the Paul Harris Fellow Award with 2 sapphires, which represents Paul Harris Plus 2.

Our New Lighthouse Rotary Pin

Bob Brown designed a new pin for our Club and he presented one for each Club member. The pins were also distributed at the recent International Convention in Atlanta to delegates from more than 166 nations around the world. SSI Rotary is spread far and wide with the distribution of these pins.

**The Four Way Test**

Is it the TRUTH?  
Is it FAIR to all concerned?  
Will it build GOODWILL & better FRIENDSHIPS?  
Is it BENEFICIAL to all concerned?
